positive-negative card

Print the template (next page), cut all lines and glue the background, the eye, the half-nose and the half-buttons on the left side of your 15 x 10 cm cardboard and the snowman on the right side. Leave a small border from the background to the edge of the actual card and decorate with a little thread of wool pulled through little holes left and right of the snowman's neck (reference to photo of finished card).
